TOSHIBA

Toshiba Standard Dock with Audio Out for Excite 10 LE Tablet

PA5015U-1PRP

Description

Store, view and charge your Excite 10 LE Tablet, quickly and conveniently, with the Toshiba Standard Dock with Audio Out.

Take your multimedia experience up a decibel. The Standard Dock includes a 3.5mm audio out port for enhanced listening pleasure through headphones or speakers.

Want to also connect to your Toshiba Tablet's ports? No problem. The docking station is designed to allow easy access to your tablet's built-in ports and slots.

The Standard Dock's small footprint and rubber footing make it perfect for the living room, bedroom, office, study, kitchen, dorm room or virtually anywhere. It has an angled design for movie watching, photo viewing or enjoying whatever your favorite HD digital content might be. Want to surf the web, email, update your social network site, or play games? Simple, just connect to a Toshiba Bluetooth keyboard (PA3959U-1EAB).*

Docking and undocking is a breeze with the easy access top-load proprietary connector. Just drop it in and let the fun begin!

*Not all Bluetooth devices are compatible. Check with the manufacturer of the Bluetooth device for compatibility with Android Platform.
